

SENATE BILL 3832

By Kyle

AN ACT to amend Tennessee Code Annotated, Title 68,
Chapter 221 and Title 69, Chapter 7, relative to
water management.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 69-7-304, is amended in subdivision (1) by inserting "et seq." after "69-10-101".

SECTION 2. Tennessee Code Annotated, Section 69-7-305, is amended by adding the following language as a new subsection (4) and redesignating the existing subsection (4) and subsequent subsections accordingly:

To study alternatives for, and to develop, regional water supply plans that consider, among other factors, cost and conservation of water resources, working in consultation with the technical advisory committee created pursuant to §69-7-309 and affected community water systems.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
